To All Concerned,

Chief Christopher Robinson, hired by the Town of Malabar on November 25th, 2013 resigned effective October 14th, 2016 for personal reasons. The Town wishes to express its' gratitude for Chief Robinsons efforts and improvements that have taken place in the Fire Department while under his guidance. Of importance to the residents is the fact that the Town's ISO rating has improved and is higher than Brevard County's Fire Department.

The Town is fortunate to have among our staff of well qualified Lieutenants a well-qualified individual with 28 years of active service. This person has agreed to step in as Interim Chief for a 90 day trial period. Leonard Thomassen officially took over the Duties of Interim Chief Tuesday, October 18th, 2016. Chief Thomassen is dedicated to continuing the improvement we have experienced over the past three years.

Please feel free to stop by your Fire Station and Welcome Chief Thomassen.

Thank you for your support.

Doug,

Administrator, Town of Malabar
