# NEW - Malabar Youth Events

Do you enjoy sports? community service? meeting other teens in Malabar? Our Malabar Youth Events may be right up your alley. This summer, our Malabar Teen Council is planning a calendar of motivating activities at our local recreation facilities, including but not limited to trail-biking, basketball, volleyball, and water sports. Cultural activities such as Youth Bluegrass or Music Jams are additional possibilities. We will also participate in community service opportunities.

This event calendar is in development mode, but will be available by mid-June. If you have an interest in participating in or leading activities, visit our Facebook page: Malabar Teen Council, join our email list for updates, or contact us at: [malabarteencouncil@gmail.com](mailto:malabarteencouncil@gmail.com).
