

WASTE MANAGEMENT UPDATE FOR 10/19/2016

Residents of Malabar:

Due to continued heavy volume, one of our garbage routes did not finish today- Tuesday (10/18/2016). The affected area is outlined below. This route will be first priority to be completed in the morning.

Garbage Route H242: West Malabar area, back down streets (approximately 4 hours to be completed)

Thank you for your support!

Best,

Dina
