

Official  
Proclamation

Town of Malabar,  
Florida

**Whereas**, the problems of domestic violence are not confined to any group or groups of people, but cut across all economic, racial and societal barriers, and are supported by societal indifferences, and

**Whereas**, the impact of domestic violence is wide ranging, directly effecting individuals and society as a whole, here in this community, throughout the United States and the world, and

**Whereas**, it is battered women themselves who have been in the forefront of efforts to bring peace and equality to the home.

**Now, therefore**, in recognition of the important work done by domestic violence programs, I do hereby proclaim the month of October to be

*National Domestic Violence Awareness Month*

and urge all citizens to actively participate in the scheduled activities and programs to work toward improving victim safety and holding perpetrators of domestic abuse accountable for their actions against individual victims and our society as a whole.
