Re: Paving Overlay Services-LaCourt Lane

Gentlemen,

We are very interested in the "Town of Malabar (RFP) 11-01 Paving Overlay Services – LaCourt Lane Project. Goodson Paving, Inc. is well established and has been doing business in East Central Florida and Brevard County since 1988. We have accomplished many multi-faceted projects throughout Brevard County, that include commercial, residential, City Government & County Government projects. We are currently Florida Department of Transportation Prequalified in drainage, grading, flexible paving & hot plant-mixed bituminous courses. We have in house capabilities to accomplish clearing, mass grading, curbing, roadway base installation, all types of site utility work, manufacturing & laying of many different mix designs of asphalt and many other ancillary services as needed to complete a variety of projects.

Our company is solid and well established. If needed, we can provide a certified copy of our financial statement at your request. Our surety agency is Waldorff Insurance & Bonding, Inc., who uses The Hanover Insurance Company for our bid, payment & performance bonds (other surety companies are at our disposal if Hannover is not on your list of approved sureties).

We take pride in our work and always provide a quality project, on-time. If you require further information or wish to discuss our qualifications, please do not hesitate to contact me directly. We look forward to partnering with the Town of Malabar on this project.

Best regards,

RE: CERTIFICATE OF QUALIFICATION

Dear Sir/Madam:

The Department of Transportation has qualified your company for the amount and the type of work indicated below. Unless your company is notified otherwise, this rating will expire 6/30/2011. However, the new application is due 4/30/2011.

In accordance with S.337.14 (1) F.S. your next application must be filed within (4) months of the ending date of the applicant's audited annual financial statements and, if applicable, the audited interim financial statements. Section 337.14 (4) F.S. provides that your certificate will be valid for 18 months after your financial statement date. This gives a two month period to allow you to bid on jobs as we process your new application for qualification. To remain qualified with the Department, a new application must be submitted subsequent to any significant change in the financial position or the structure of your firm as described in Section 14-22.005(3), Florida Administrative Code.

MAXIMUM CAPACITY RATING: \$11,000,000.00

FDOT APPROVED WORK CLASSES:

DRAINAGE, FLEXIBLE PAVING, GRADING, HOT PLANT-MIXED BITUM. COURSES

FDOT APPROVED SPECIALITY CLASSES OF WORK:

NONE

You may apply, in writing, for a Revised Certificate of Qualification at any time prior to the expiration date of this certificate according to Section 14-22.0041(3), Florida Administrative Code. Please be advised if certification in additional classes of work is desired, documentation is needed to show that your company has done such work with your own forces and equipment or that experience was gained with another contractor and that you have the necessary equipment for each additional class of work requested.
